

INADA IN THE MEDIA

As The World's Best Massage Chair™, Inada receives a lot of media attention on such products as the Sogno DreamWave™ and the Yu•Me.

We've been covered in numerous media outlets, including:

We're also heard on NPR as a financial underwriter for programs such as *Morning Edition*, *All Things Considered*, *Car Talk* and *Weekend Edition*.

In addition, the Sogno DreamWave "starred" in the 2009 season of NBC's "30 Rock," as character Tracy Jordan's own personal massage chair.

The Yu•Me was featured on a 2013 episode of ABC's "The Middle."
